

NF03: Workshop plan

(Pilar Coloma, Lisa Koerner, Ian Shoemaker and Jaehoon Yu)

- NF03 mini-workshop:
 - Tentative location: U. Pittsburgh:
 - The workshop “New opportunities at the Next Generation Neutrino Experiments 2020” was cancelled due to covid-19, but funding had already been secured. Our goal is to do something jointly
 - Tentative dates: Jan-Feb 2021 (mid-point benchmark)
 - Coordinate with NF02 and NF08, as the primary overlap interests
