

High-energy inclusive processes with forward/backward or single forward production

Alessandro Papa

Università della Calabria & INFN - Cosenza

in collaboration with Cosenza team

A.D. Bolognino, M. Fucilla, M.M.A. Mohammed

and with F.G. Celiberto (Pavia), D.Yu. Ivanov (Novosibirsk)

EF06, May 20, 2020

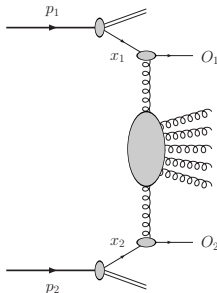

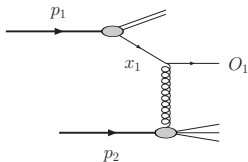

UNIVERSITÀ DELLA CALABRIA
DIPARTIMENTO DI
FISICA

Istituto Nazionale di Fisica Nucleare
GRUPPO COLLEGATO DI COSENZA

- Mueller-Navelet jet production
- hadron-hadron production
- hadron-jet production
- Higgs-jet production
- heavy-quark pair production
- heavy-meson pair production

- jet forward production
- hadron forward production
- heavy-quark forward production
- heavy-meson forward production

Motivations

- test BFKL resummation
- access unintegrated gluon distribution (UGD) and bridge with TMD PDFs
