May 22nd, 2020

Users Meeting, 2020

- ▶ Cindy, Reddy, and Ashley met with the UEC and FSPA officers on Wednesday, May 20th, at 4 pm
- ▶ We are beginning to narrow down on the dates (already have indications from the URA on their preference)
- ▶ We still have decisions to make regarding the poster session and the keynote speaker
- ▶ These decisions are in the broader context to how to structure this year's Users Meeting
- ▶ More updates from Cindy during the Users Meeting subcommittee update
- ▶ If you are not on closed #um-2020 Slack channel, please feel free to let me know, so I can add you
- ▶ Minutes from the meeting on Wednesday have been posted on this Slack channel (thanks, Ashley!)

User Engagement for Snowmass 2020

- ▶ The Snowmass Community Planning Meeting will be held Nov 4-6, 2020 at Fermilab
- ▶ The Fermilab Scientific Advisory Council and the UEC are involved in the Local Organizing Committee
- ▶ Yuanyuan (Zhang) and Jonathan (Asaadi) from the UEC are part of the team (which includes me)
- ▶ We hope to convey some of the lessons learned from this years Users Meeting
- ▶ Current plan is to hold the meeting at FNAL, but based on the COVID situation the event could be a “virtual” event

Suggestions for invited speakers for our next meetings

- ▶ I kept today's agenda light in order to focus on the Users Meeting
- ▶ I wanted to request everyone to think of people whose presence in the UEC meetings maybe beneficial for us
- ▶ I know David and Manolis are in contact with Becky (Thompson) and have requested her to join us again
- ▶ I was thinking of inviting Sandra Charles who is the Diversity & Inclusion Manager (Laboratory Talent Acquisition) at Fermilab based on conversations with Joe Lykken regarding the UEC's role in D & I activities at the lab
- ▶ Other speakers that you can think of?
- ▶ Let me know and I will invite them for our next meeting in June

Next meetings

- ▶ June 19th, 2020 (note the change from June 5th, 2020)
- ▶ July 17th, 2020 (avoided overlap with ICHEP 2020)
- ▶ August 21st, 2020
- ▶ September 18th, 2020
