

FSPA Update

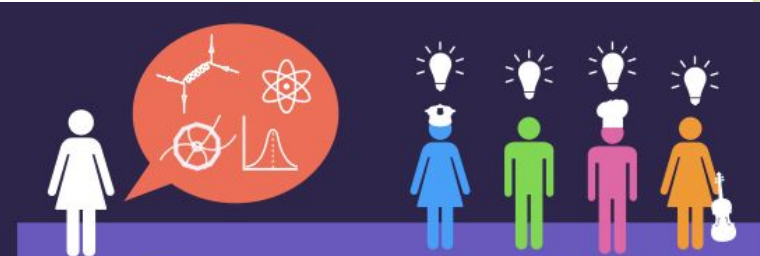

Maria Martinez-Casales on behalf of FSPA
UEC meeting June 19, 2020

Career webinar

- May 22nd
- 30+ attendees
- Recordings:

<https://fspa.fnal.gov/career-activities/>

Communicating Your Science

Learn to communicate science effectively to a wide variety of audiences - from experts in the field to those with little or no background. We'll discuss the importance of great data visualization approaches and key factors to keep in mind when giving a talk, no matter who the audience.

Nicole Lloyd Ronning
Los Alamos National Laboratory

 May 22nd
12-1 pm CST

 Zoom connection TBD

New Perspectives - July 20-21

- Invitations for experiments' talks sent:
 - Opening the focus of “x in 10 minutes” to “what’s exciting about x” or “the future of x”
- 60+ registered attendees
- 19 abstract submissions
- Will extend abstract deadline (originally June 21st)
- Awards for “best talk” and other categories
- Planning a trivia/games social with prizes

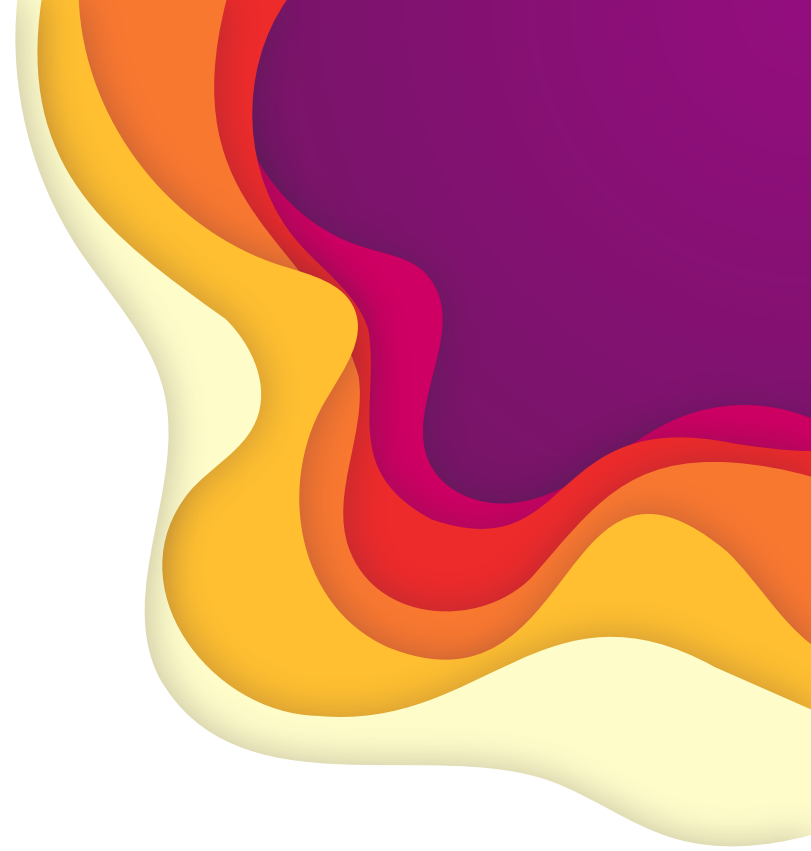

FSPA for change / Action Month

- We want to encourage the community to have conversations about anti-racist actions we can do to improve representation in our field
- <https://fspa.fnal.gov/fspa-for-change/>
- #fspa-for-change in users slack

Future events

- **Yoga social:** Abhilash, date TBD
- Social to gather feedback and encourage others to run for FSPA officers (meet and grill?)

Thank you!
