

Outcome of leadership discussion

- Last week: discussed responses to google form collecting interest in survey group leadership.
 - 4 people interested in helping to organize immediately
- Mutually decided to divide responsibilities between:
 - **Co-leaders** Maria and Garvita (3 month term), charged with setting weekly agendas, sending notifications, moderating discussion, managing group documents.
 - **Scribe** Sam: will take notes (or delegate), posting afterwards to the Indico agenda and google doc.
- Additionally, may be beneficial to have a non-rotating liason w/ Snowmass EC leadership (Sara, Fernanda).
 - **Sam** agreed to continue for now

Looking ahead

- Plan to rotate leadership in 3 months (~Oct 15)
- From survey results, 3 people interested who aren't serving from July-Oct. May discuss division of labor informally again or hold election as necessary.
 - Preference to decide leaders in 'real time' to allow for changing responsibilities and interests
