

Theoretical Innovations for Future Experiments Regarding Baryon Number Violation, Part 1

Contribution ID: 37

Type: **Oral Presentation**

Neutron-antineutron oscillation improvements and baryogenesis

Wednesday, 5 August 2020 10:00 (30 minutes)

Wherein I discuss how improvements on neutron-antineutron oscillations and its impact on a minimal theory of baryogenesis.

Contribution Title

Neutron-antineutron oscillation improvements and baryogenesis
