A photograph of the Sun Yat-sen University building in Zhuhai, China. The building is a large, traditional Chinese-style structure with a green tiled roof and red walls. It is surrounded by lush greenery, including tall palm trees and a well-manicured lawn. In the foreground, there is a circular flower bed with yellow and red flowers. The building's facade features large gold characters: '孫文' (Sun Wen) on the left, '篤行' (Duxing) in the center, and '慎思' (Shenshi) on the right. Above these, there are more characters: '明' (Ming), '審' (Shen), '博' (Bo), and '學' (Xue).
