

# The 28th International Workshop on Weak Interactions and Neutrinos (WIN2021)

## Thursday, 10 June 2021

### Astroparticle and Cosmology Session 1 (08:00 - 09:45)

time	[id] title	presenter
08:00	[326] Astroparticle and Cosmology Theory Overview : Testing the Thermal WIMP Paradigm	LINDEN, Timothy
08:35	[327] Astroparticle and Cosmology Experiment Overview	FRANCKOWIAK, Anna
09:10	[328] What's Happening with the Hubble Tension?	ADDISON, Graeme
