

Snowmass Community Planning Meeting - Virtual

Wednesday 07 October 2020

28. Theory Challenges in Precision Measurements (1:00 PM-2:30 PM)

-Conveners: Doreen Wackerath; Stefan Hoeche; Reinhard Schwienhorst; Alexey Petrov

time	[id] title	presenter
1:00 PM	[M15] Need and prospects for improved parton shower Monte Carlo	KRAUSS, Frank
1:18 PM	[M16] Precision calculations for EW/Higgs precision physics at lepton colliders	REUTER, Juergen
1:36 PM	[M17] What do we need from theory?	HUSTON, Joey
1:54 PM	[M18] Lattice QCD's role in precision measurements	VAN DE WATER, Ruth
2:12 PM	[M19] Theory challenges in heavy flavor decays	GRINSTEIN, Benjamin
