

Snowmass Community Planning Meeting - Virtual

Tuesday 06 October 2020

145. QCD phase transitions and ultra-high density matter: Compact binaries as probes of dense matter and QCD phase transitions (11:30 AM-12:00 PM)

-Conveners: Jacquelyn Noronha-Hostler; Bangalore Sathyaprakash

time	[id] title	presenter
11:30	A30 [A30] Compact binaries as probes of dense matter and QCD phase transitions	Dr LANDRY, Philippe
11:36	A31 [A31] Probing nuclear astrophysics and gravitation with neutron stars	Dr FONSECA, Emmanuel
11:42	A32 [A32] Discovering quark-matter cores in massive neutron stars	Dr KURKELA, Aleks
11:48	A33 [A33] Discussion session	NORONHA-HOSTLER, Jacquelyn
