

# Mini-Workshop on Neutrino Theory

## Monday, 21 September 2020

**Neutrino phenomenology (including oscillations, collider searches, charged-lepton and meson processes): Plenary (10:10 - 11:00)**

-Conveners: Louis Strigari

time	[id] title	presenter
10:10	[3] Phenomenology of Neutrino Oscillations in 2020	GONZALEZ-GARCIA, Concha
10:35	[4] Searching for heavy neutrinos at colliders: how high can we go?	RUIZ, Richard
