

Mini-Workshop on Neutrino Theory

Monday, 21 September 2020

Contributed 04: 04 (13:10 - 14:20)

-Conveners: Manibrata Sen

time	[id] title	presenter
13:10	[46] neutrino flux from dark matter annihilation and decay	LIU, Qinrui
13:20	[27] Presupernova neutrinos: directional sensitivity and prospects for progenitor identification	MUKHOPADHYAY, Mainak
13:30	[24] Collective neutrino oscillations: Status and prospects	Dr JOHNS, Luke
13:40	[23] Multi-angle quantum many-body collective neutrino-flavor oscillations	Dr RRAPAJ, Ermal
13:50	[34] Luminous Solar Neutrinos	PLESTID, Ryan
14:00	[58] Neutrino Quantum Kinetics in Supernovae	RICHERS, Sherwood
