SUBJECT: LETTER OF AGREEMENT (LOA) with DUPAGE COUNTY SHERIFF'S OFFICE

Dear Sheriff Mendrick,

Approval is requested for the attached Letter of Agreement (LOA) and Exhibit A regarding the working relationship between the DuPage County Sheriff's Office and the Fermi National Accelerator Laboratory.

Fermi National Accelerator Laboratory's working relationship with the DuPage County Sheriff's Office continues to be in accordance with Department of Energy (DOE) Order 473.3 A, which states if non-DOE Law Enforcement Agencies are "used to protect security interests on a regular or recurring basis, cooperative agreements outlining the specific support to be provided must be established."

For additional questions regarding this correspondence, please contact Joe Rogers at x8041 or jrogers@fnal.gov.

Sincerely,

Nigel S. Lockyer
Laboratory Director

LETTER OF AGREEMENT

Whereas, the United States Department of Energy Order DOE O 473.3A 'Protection Programs Operations' is applicable to the operations at Fermi National Accelerator Laboratory which is located in unincorporated DuPage County, Illinois; and,

Whereas, Fermi National Accelerator Laboratory, and the DuPage County Sheriff's Office have a long and established history of working together; and,

Whereas, Fermi National Accelerator Laboratory has relied on the services of DuPage County Sheriff's Office in law enforcement operations and investigations over the past years; and,

Whereas, the DuPage County Sheriff's Office has a dedicated radio frequency they monitor 24/7/365 in their communications center on behalf of Fermi National Accelerator Laboratory; and,

Whereas, the DuPage County Sheriff's Office is a nationally-accredited law enforcement agency; and,

Whereas, the DuPage County Sheriff's Office has full authority and jurisdiction to enter onto Fermi National Accelerator Laboratory property; and,

Whereas, Fermi National Accelerator Laboratory does not currently have the resources to conduct law enforcement operations and investigations; and,

Whereas, the DuPage County Sheriff's Office has, in the past, conducted law enforcement operations and investigations as outlined in Exhibit 'A', which is attached hereto and incorporated into this agreement; and

Whereas, the DuPage County Sheriff's Office has expressed an interest in continuing to conduct law enforcement operations and investigations as outlined in Exhibit 'A' at Fermi National Accelerator Laboratory; and,

Whereas, the Sheriff's Office currently has the resources to conduct law enforcement operations and investigations as outlined in Exhibit 'A' at Fermi National Accelerator Laboratory;

Therefore, Fermi National Accelerator Laboratory requests and the DuPage County Sheriff's Office agrees to continue to conduct law enforcement operations and investigations as outlined in Exhibit 'A' as required at Fermi National Accelerator Laboratory; and,

Furthermore, the DuPage County Sheriff's Office requests and Fermi National Accelerator Laboratory agrees to continue to provide the assistance of its security staff in working with the DuPage County Sheriff's Office staff in order to conduct such law enforcement operations and investigations as outlined in Exhibit 'A'.

Approved by Fermi National Accelerator Laboratory Director Nigel Lockyer and the DuPage County Sheriff James Mendrick, this 17 day of JULY, 2019.
