SUBJECT: Foreign National Access Program Approval Delegation

Following DOE O 142.3B, *Unclassified Foreign National Access Program*, and in accordance with DOE approved delegation of authority, I delegate approval authority and accountability for foreign national access to the Fermilab sites and associated information or technology to Melissa Ormond, Global Services Department Manager and associated members Kim Pearce, Beatriz Rodriguez, and Tim Wiley.

Joseph Rogers, Facility Security Officer/Interim Senior Director of Security and Emergency Management Division, will be the final approval authority for all foreign nationals from countries designated state sponsors of terrorism.

Joseph Rogers, Marc Clay, Interim Chief Operations Officer or Brian Sherin, Sr. Advisor to the Laboratory Director, will review foreign national security plans for sensitive country nationals requesting access to sensitive subjects, and for any issues requiring classified briefings.

Sincerely,
