

FSPA Update

Dec. 2020

Anna Hall

Sub-Committees

We've picked who is going to regularly attend each subcommittee

QOL - Zubair

EPO - Anna and Ohana

GovRel - Zach

UM - Maria

Survey

- We sent out a survey to get a feel for what is wanted out of FSPA right now and have gotten ~50 responses so far
- We will continue to collect responses and give a bigger update in Jan.
- Survey: tinyurl.com/ybna6xbr
 - Feel free to send to any early career Fermilab people you know!

Coffee and Cookies

- One of the common themes of the responses so far is to rebuild the sense of community we had when physically at the lab
- So we will start hosting our own virtual coffee and cookies every week day for anybody who wants to come chat
- Planning on starting Jan. 11 at the regular 3:30 time
- Look for an email in January with connection details

Charity Raffle

- We had originally wanted to do a charity raffle around Thanksgiving to raise money for a local food bank, but couldn't get anything set up in time
- We still want to do this, and are working to get connected with the right offices at the lab to get things set up
- Let us know if you have an organization you would like to recommend we donate the proceeds to!

In the New Year...

- We want to start bringing back more of our career talks and workshops and are starting to compile a list of topics we want to present
- If you have a topic you would like to see or present yourself, please feel free to reach out
