

EF01 announcements: Dec 10, 2020

- On-going discussion with Snowmass organizers about whether Snowmass process should be stretched out to allow for in person meeting (presumably summer, 2022), or paused in order to relieve tension on over-stressed community
- If you have an opinion, add it [here](#)
- Current time schedule has TG organizers writing outline of report in **Jan 2021**, with white papers due **July 31, 2021**, first draft of TG report, **June, 2021**, final draft of TG report, **July 31, 2021**
- HH discussion chat, Monday, **Dec 14, 12 pm EST**
- EF01 has no currently scheduled meeting after today. Please tell us if there are topics we should address. We will schedule updates on white papers as needed
- In **Jan, 2021** we will circulate the outline of our section for comments
