

AF7 - Subgroup RF - miniWorkshop on Innovative Design and Modeling

Tuesday, 26 January 2021

Accelerator modeling (11:10 - 12:10)

time	[id] title	presenter
11:10	[9] A modular community ecosystem for multi-physics particle accelerator modeling and design	VAY, Jean-Luc
11:30	[10] Design RF cavity geometries with advanced computation methods	LUO, Tianhuan
11:50	[11] RF computations: Needs in performance, capability, and optimization	CARY, John
