

# FSPA Update February 2021

Zubair Ahmad Dar

# Coffee and Cookie Breaks

The hosting of our own virtual coffee and cookies sessions started last month (Jan. 19th).

It starts at the regular 3:30pm CST time and lasts ~30min. Zoom connection information can be found at the below mentioned address.

The event advertisement is posted on the Facebook page, too!

Similar information can be found at this address:

<https://fspa.fnal.gov/coffee-breaks/>

**We request UEC also to help us in advertisement so that it can reach to more people in the community.**

FSPA will be (virtually)  
hosting

## COFFEE & COOKIES

**Every Weekday at 3:30  
Starting Tuesday, Jan. 19th**

Zoom details can be found at  
[fspa.fnal.gov/coffee-breaks](https://fspa.fnal.gov/coffee-breaks)

# Social outreach

We've decided to open accounts on some social media networks to reach more people:

- Instagram
- Twitter (**@FermilabFSPA**)
- Facebook (already in use since past).

Let us know if you have any suggestions, too!

# Black History Month Celebration:

- We are currently working to get some profiles made up to highlight some of the young Black scientists at the lab
- We took interview of some of the community members
- Currently, we are in the editing process of those interviews
- So be on the lookout for those next week

# Planning Future Events

We've been putting together a list of future events that we'd like to do, some of which are:

- Programming workshops,
- Career talks and workshops,
- Talk on how to manage stress/worry.
- Making plans for Pride Month (June) events.

Let us know if you have any suggestions, too!

# Single Slide Summary of FSPA Update:

1. Coffee and Cookies started on Jan. 19th at 3:30pm CST.
2. Budget was approved in a meeting with Joe Lykken on Jan. 20th.
3. We've been planning possible future events, which include:
  - a. Programming workshops,
  - b. Career talks and workshops,
  - c. Talk on how to manage stress/worry.
  - d. Making plans for Pride Month (June) events.
