Please note: We are in the process of updating our branding and changing our legal name from MDC Vacuum Products, LLC to MDC Precision, LLC. We anticipate completing the transition by the end of 2020 and will notify you once this change is officially completed. In the interim, please continue to send all purchase orders, confirmations, notifications and remittances to MDC Vacuum Products, LLC.

Commodity price tariff changes

Please note that due to uncertainty surrounding proposed US government trade tariffs on imported aluminum and stainless steel, MDC reserves the right to adjust the product price if the Bureau of Labor and Statistics PPI price for either commodity increases by more than 5% between the time an order is accepted and the time it is shipped (transfer of title). Price increases will be limited to the increase in these specific commodities within this timeframe. MDC will notify you of these price changes at the time of invoicing.

When placing an order for the items listed above, please return this quotation with a purchase order.
