

- Thank you to all speakers & panelists for great talks & discussions!
- Thank you to all attendees for listening to talks & discussions, asking questions, & giving comments.
- Thank you to session chairs for doing a great job of keeping everything organized:
 - **Saskia Charity**, Fermilab
 - **Breese Quinn**, Univ. of Mississippi
 - **Esra Barlas-Yucel**, Univ. of Illinois Urbana-Champaign
 - **André de Gouvêa**, Northwestern Univ.
 - **David Tarazona**, Univ. of Liverpool
 - **Mary Convery**, Fermilab
 - **Adam Schreckenberger**, Univ. of Illinois Urbana-Champaign
 - **Alexey Petrov**, Wayne State University

- Thank you to the program committee for all the useful suggestions, comments, & ideas:
 - **Esra Barlas-Yucel**, Univ. of Illinois Urbana-Champaign
 - **André de Gouvêa**, Northwestern Univ.
 - **Anna Driutti**, Univ. of Kentucky
 - **Aida El-Khadra**, Univ. of Illinois Urbana-Champaign
 - **Fredrick Gray**, Regis Univ.
 - **Carol Johnstone**, Fermilab
 - **Breese Quinn**, Univ. of Mississippi
 - **Adam Schreckenberger**, Univ. of Illinois Urbana-Champaign
 - **Graziano Venanzoni**, INFN Sezione di Pisa
- Thank you to **Kevin Pitts** for all of his valuable suggestions & for giving the opening talk.
- Thank you to the Fermilab Conference Office, Service Desk, & Creative Services for administrative, logistical, & technical help.
 - Thank you to **Brendan Casey** for getting us started with the Fermilab Conference Office.

- Thank you to **Sam Zeller** for helping us with the Code of Conduct form.
- Thank you to Snowmass Conveners, Collaboration Spokes, Fermilab administrators, & others for advertising the workshop.

What Next:

- Want to produce a Snowmass contributed paper summarizing the workshop.
 - Will contact participants about submitting a short summary of the topic/ideas/experiments they discussed.
 - Will compile the submissions into a single document.
