

FSPA UEC Update

5/21/2021

Future Events in the Planning Stages

- LGBTQ+ Panel for Pride Month
- Computing Workshop
 - Thanks to the Fermilab computer division for working with us on this!
- Summer Skills series
 - Include things like a yoga class, crochet class, birdwatching, etc.
 - Very much in the very early stages of planning

New Perspectives

- Plan for a fully online conference the week of August 16th to avoid overlap with the INSS22
- Working on event approval and setting up a budget meeting
 - Indico page and abstract submission form opening to follow soon after
- Plan to include a career panel with a focus on non-academia jobs
- Potentially include a workshop on managing worry

Summary

Watch out for some events this summer including an LGBTQ+ panel and a computing workshop or two

Planning for New Perspectives is kicking into high gear!
