Workshop Dinner Bus Schedule (Wednesday - April 18, 2012)

For those attendees who purchased a ticket for the Workshop Dinner at Pheasant Run the bus will leave Pheasant Run at 5:40 pm. I suggest you arrive 10 minutes prior to departure time. Departure is from the lobby where you checked-in.

The bus will then travel to Fermilab to collect attendees from this location (~6:10 pm). You will arrive at Cantigny at ~6:30 pm in time for the reception prior to the dinner.

At 9:00 pm the bus will depart Cantigny and return to Fermilab and then on to Pheasant Run. If no one is going to Fermilab the bus can then go directly to the hotel. Estimated arrival at the hotel with the stop at Fermilab is 9:50 pm.
