

Calibration and Standardization of Large Surveys and Missions in Astronomy and Astrophysics

Tuesday, April 17, 2012

Session 2B - WH1W (11:00 AM - 12:00 PM)

time	[id] title	presenter
11:00	51 Defining High-Energy Calibration Standards: IACHEC (International Astronomical Consortium for High-Energy Calibration)	Dr MARSHALL, Herman
11:30	50 Effect of Calibration Errors on Cosmological Parameter Estimates	Dr HUTERER, Dragan
