

CompF2 – Meeting with sub-domain contacts

Peter Boyle, [V. Daniel Elvira](#), Ji Qiang

Resuming activities after the COVID pause

- **New timeline, as of January 29th, 2021 – announced by Snowmass organizers**
 - White Paper submission to arXiv no later than March 15th, 2022
 - Preliminary reports by the Topical Groups (us) due no later than May 31st 2022
 - Preliminary reports by the Frontiers due no later than June 30th 2022
 - Snowmass Community Summer Study (CSS) in July 2022 at UW-Seattle
 - Final reports by TGs and Frontiers are due no later than September 30th, 2022
- **Today's meeting**
 - Discuss with you (contacts for CF2 topical group sub-domains) the strategy for resuming activities
 - Remind you about the [list](#) of questions we are asking WP authors to address in their documents
(If the link does not work for you, access the document through <https://snowmass21.org/computational/simulations>)
 - Important to translate HEP programs into a S&C R&D plan – you are encouraged to comment
 - Remind you about our request for you to serve as section editors of the CF2 report
