

Report from Community Engagement Frontier

By Sophie Middleton

Rare Processes and Community Engagement Frontier Liaison

- CommF1: Applications & Industry
- CommF2: Career Pipeline & Development
- CommF3: Diversity & Inclusion
- CommF4: Physics Education
- CommF5: Public Education & Outreach
- CommF6: Public Policy and Government Engagement
- CommF7: Environmental and Societal Impacts

Restarting Efforts

- ▶ Monthly meetings restarted in July
- ▶ CommF7 → a new group covering topics of sustainability → see ESU recommendations for expected outcomes → Kick Off Meeting for this group in July → <https://indico.fnal.gov/event/49647/> very broad range of topics discussed.
- ▶ Replaced co-convener of the CEF Diversity & Inclusion topical group. Meeting on EDI: <https://indico.fnal.gov/event/50539/>
- ▶ Preparation for the Snowmass Day (<https://indico.fnal.gov/event/50538/>), planned for September 24:
 - ▶ A 10' plenary talk “to lay out the frontier’s plans for the upcoming and future activities, to share with the general audience”
 - ▶ Breakout session of 1-2h “to discuss frontier’s status and future plans in details, and cross-talk and inter-connect with other frontiers, in the hope to regain the momentum from the participants.

Next Steps

- ▶ Moving towards White Papers
- ▶ Lots of WPs for each TG: https://docs.google.com/document/d/19G5uD-aZO_R3Av9fv5OKYZtPOlgRmYIQ3zRmPCZPjus/edit?usp=sharing
