

Rare Processes and Precision Measurements

- Frontier updates
 - RPP: the Final Frontier Meeting
 - Place: Univ of Cincinnati
 - Dates: 16-19 May 2022 (in person?)
 - Will discuss preparation with UC people during next meeting
 - Contributed papers (aka “White papers”)
 - Different TGs employ different approaches
 - Timeline: drafts of TG reports are due by 31 March 2022
 - Timeline: reasonably final reports by 1 June
 - Community Summer Study (CSS) meeting update
 - Place: Univ of Washington (Seattle)
 - Dates: July 17-27 2022 (in person/hybrid)
 - Remote settings only for plenary and large frontier meetings
 - Based on 2013 model (Start: plenaries, Mid: mix, end: plenaries)
