Belle II Physics Reach: $g-2$ (muon) and QCD

Tuesday, 17 May 2022 11:45 (15 minutes)

Summary of White Papers:

- Belle II physics reach and plans for the next decade and beyond
- Opportunities for precision QCD physics in hadronization at Belle II – a snowmass whitepaper

Presenters: VOSSSEN, Anselm (Duke University & JLab); BROWDER, Tom

Session Classification: RF3 Parallel Session (Winter/Blum)
