

Next Stage of BSM Searches at the LHC

my advice in 4 slogans

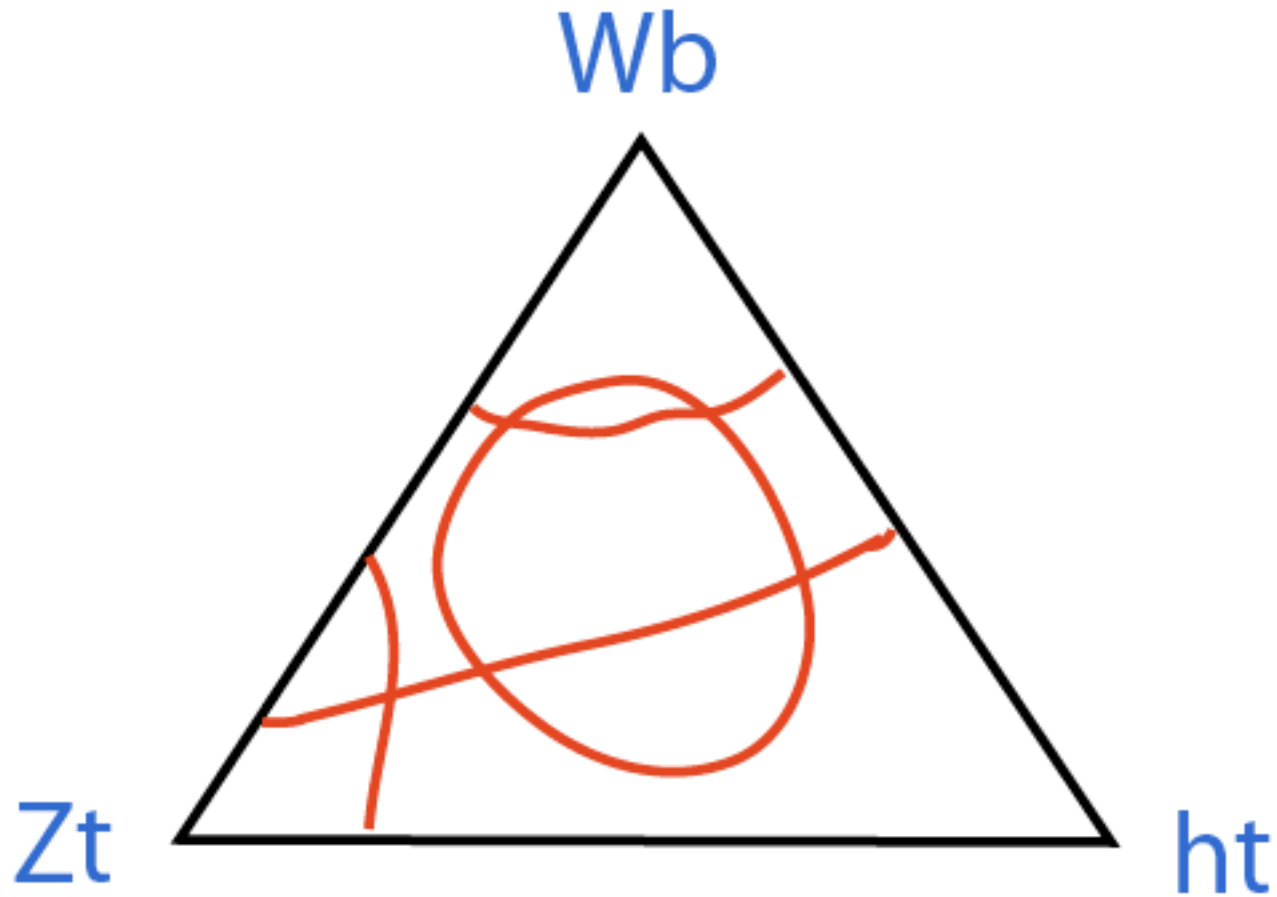

M. E. Peskin
SEARCH workshop
U of Maryland
March 2012

1. No Boson Left Behind

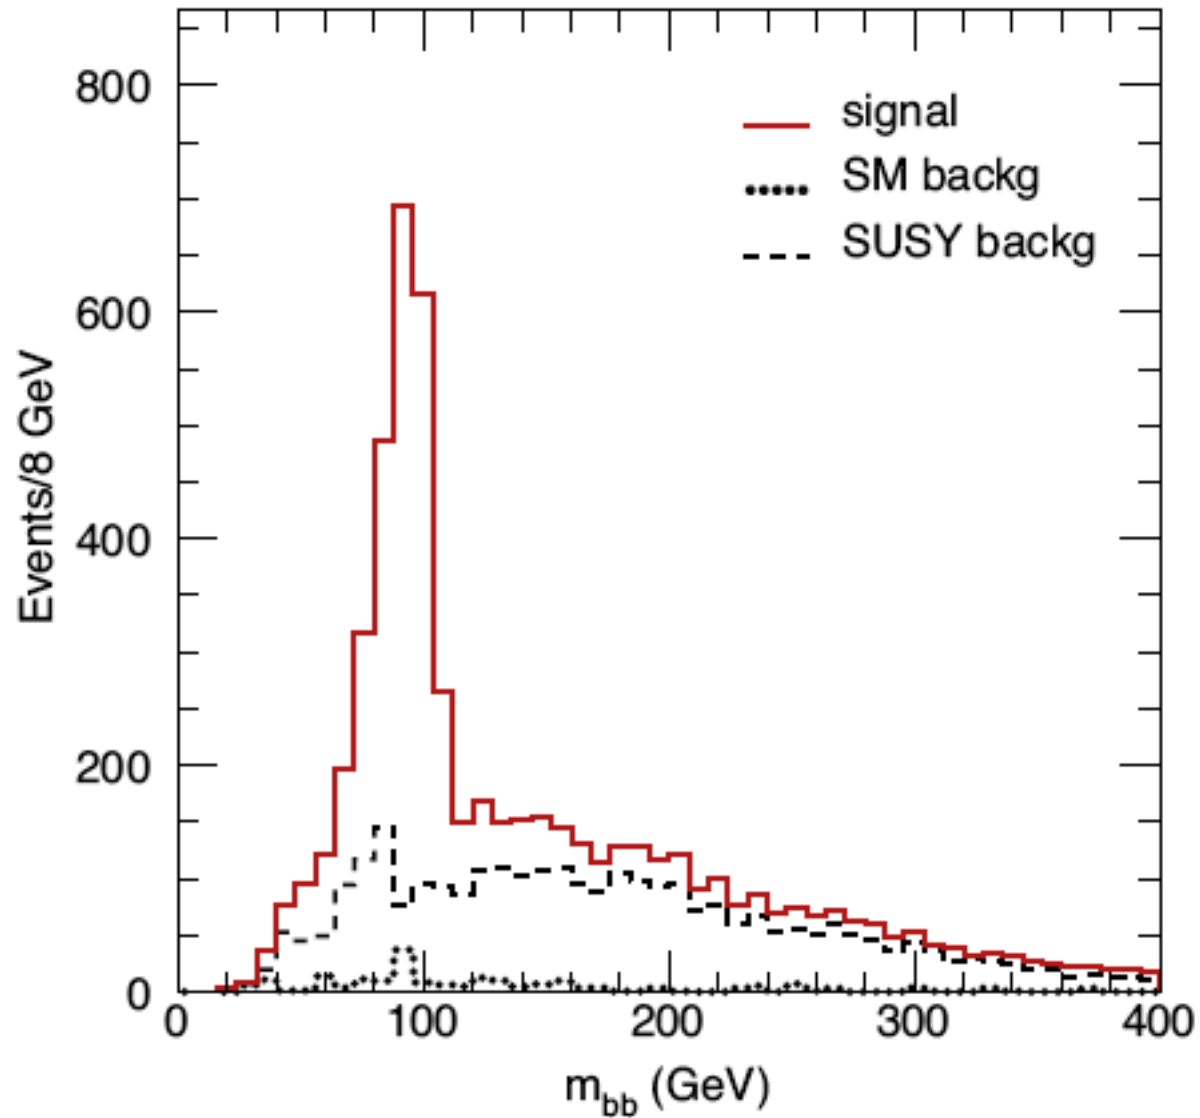

Kerstin Hoepfner

2. Exclude Triangles not Points

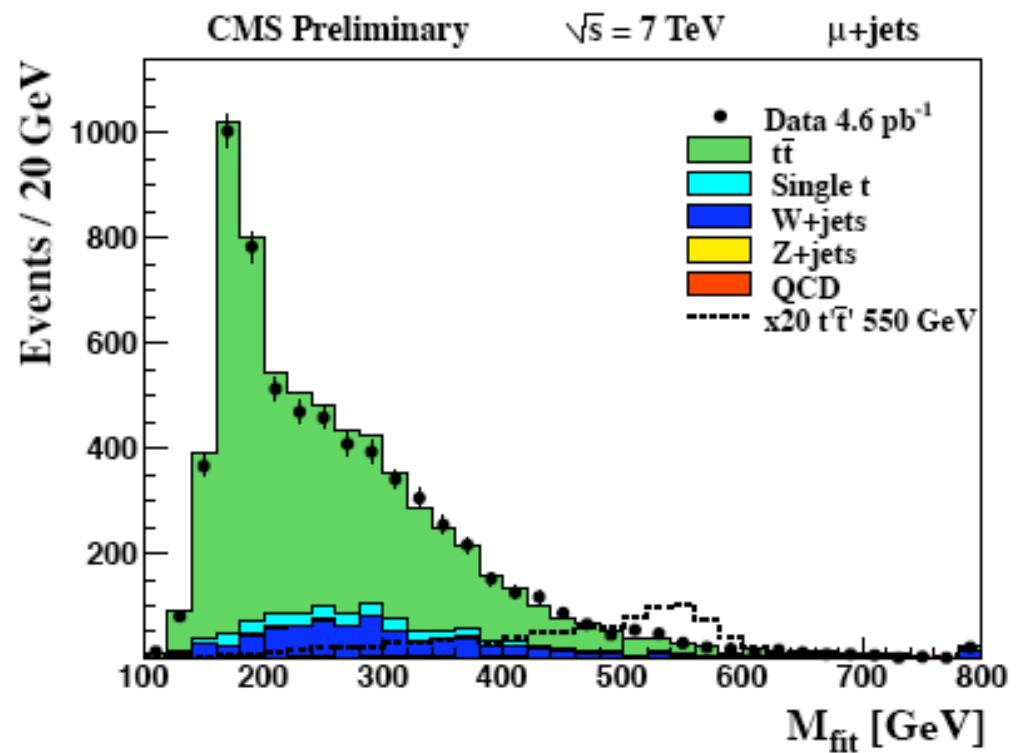

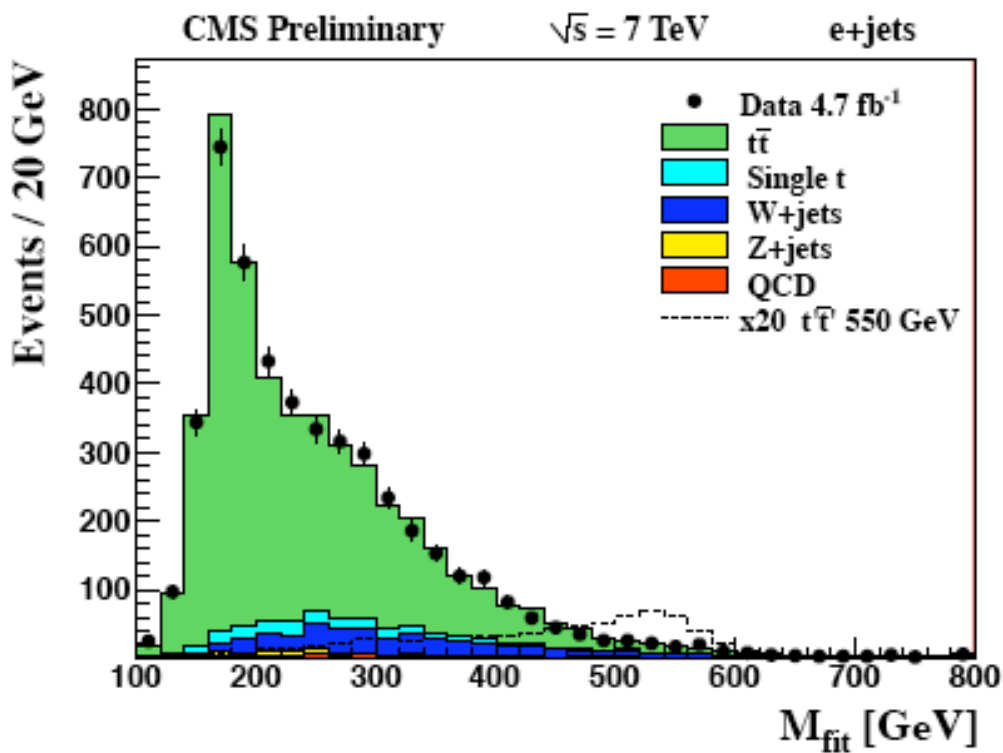

3. Higgs implies Higgs in BSM

ATLAS TDR
1999

4. BSM Hides beneath Top

Ricardo Vasquez Sierra

It was very valuable for me to hear and argue through this detailed review of the current state of LHC new physics searches.

I am grateful to the organizers and to the presenters.
