In the chat window, please type the status for your section:

Your section name – READY TO MERGE, TO DISCUSS, or IN PROGRESS

Raise your hand to speak about the immediately discussed issue

Type “SPEAK” in chat to discuss other issues in order

We will start merging DRAFT_SECTIONS into the main document this week.

If several versions exist, the DRAFT_SECTION takes precedence by default.

[You may leave a LaTeX note about which version to use.]

In your section, list the section’s leading authors, affiliations, funding information, and acknowledgements. Check that all bibliography is given by INSPIRE BibTeX keys.

Hyperlinks to external figures are preferable to embedded figures.
