

OSG All-Hands Meeting 2022

Monday, March 14, 2022

Science enabled via the Open Science Pool (1:00 PM - 2:30 PM)

| time | [id] title | presenter |
|---------|---|------------------------------|
| 1:00 PM | [6] Steady Steady Genetic Algorithm for Crystal Structure Prediction: A scalable Approach for the OSG | VARELA, Kristal |
| 1:20 PM | [7] Computational Challenges and Opportunities in Multi-messenger heavy-ion physics | SHEN, Chun |
| 1:40 PM | [8] The Role of OSG in Advancing Research in Population Genetics | JOHRI, Parul |
| 2:00 PM | [15] Enabling OSG through a student project to modify Airavata Science Gateway | WEITZEL, Derek QUICK, Rob |
