

Katedra Mikroelektroniki  
i Technik Informatycznych

Department of  
Microelectronics and  
Computer Science

# University, Faculty, Department

# Department of Microelectronics and Computer Science

Established in 1996 by prof. Andrzej Napieralski.

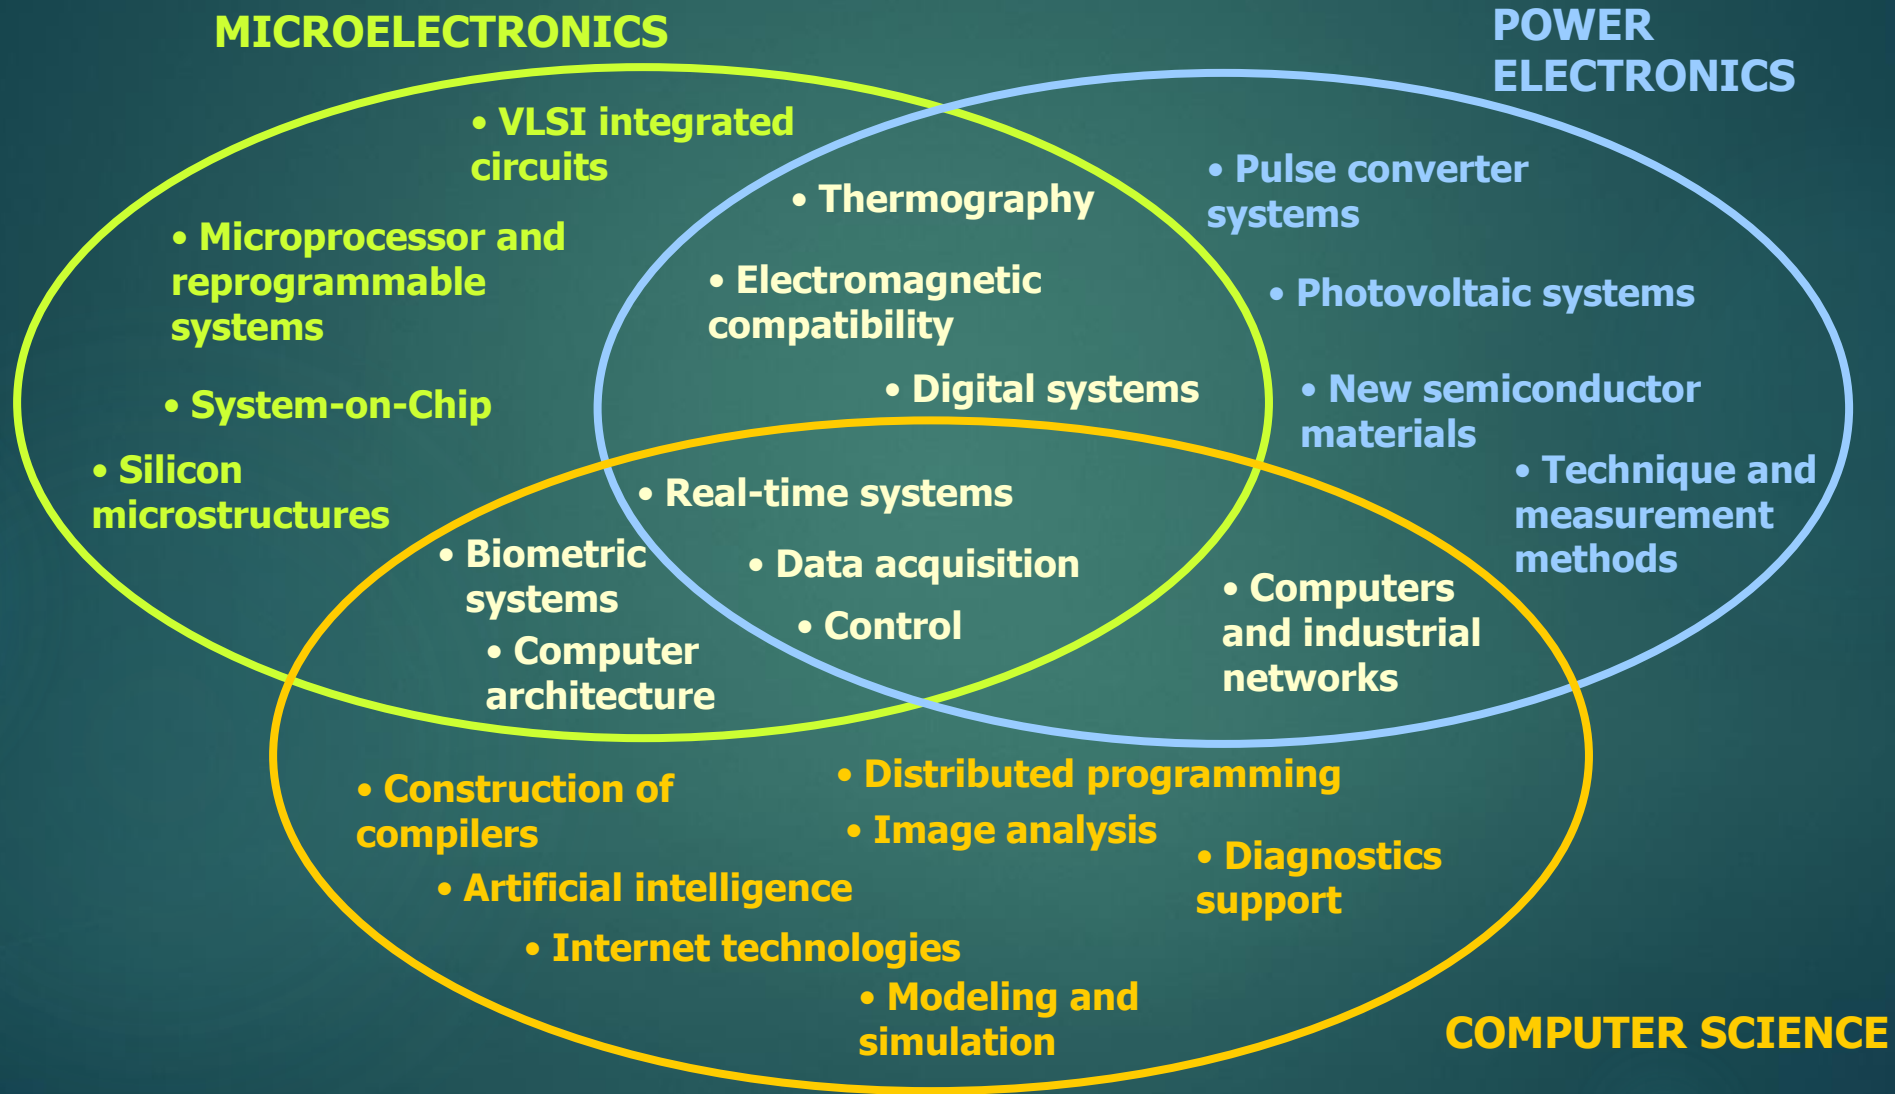

Staff of 30 researchers (including 6 professors or university professors) and 11 administrative employees.

Educates 12 doctoral students.

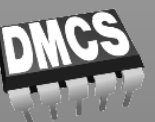

# Research Topics

# Projects and Awards

- Over 55 research projects financed from national funds and 16 international projects.
- 100 medals and awards, incl. at international exhibitions of inventions, over 40 awards and diplomas of the Minister of Science and Higher Education and the Chairman of the Scientific Research Committee and 7 "Łódzkie Eureka" statuettes.
- The international conference MIXDES "Mixed Design of Integrated Circuits and Systems" has been organized for 29 years.

# ISO Certification

Certificate No.

**PL011240/P**

**ISO 9001:2015**

Scope

**Design, production, integration and implementation of  
electronic and information systems**

Valid until

**May 31, 2023**
