

# NuInt12 : Eighth International Workshop on Neutrino-Nucleus Interactions in the Few-GeV Region

Contribution ID: 92

Type: **not specified**

## Superscaling in electro-nucleus scattering and its link to NC and CC QE neutrino-nucleus scattering

*Friday, 26 October 2012 12:00 (30 minutes)*

**Primary author:** Prof. BARBARO, Maria Benedetta (University of Turin, Italy)

**Presenter:** Prof. BARBARO, Maria Benedetta (University of Turin, Italy)

**Session Classification:** Electron scattering and meson exchange currents
