

NuInt12 : Eighth International Workshop on Neutrino-Nucleus Interactions in the Few-GeV Region

Contribution ID: 92

Type: **not specified**

Superscaling in electro-nucleus scattering and its link to NC and CC QE neutrino-nucleus scattering

Friday, October 26, 2012 12:00 PM (30 minutes)

Primary author: Prof. BARBARO, Maria Benedetta (University of Turin, Italy)

Presenter: Prof. BARBARO, Maria Benedetta (University of Turin, Italy)

Session Classification: Electron scattering and meson exchange currents
