

NuInt12 : Eighth International Workshop on Neutrino-Nucleus Interactions in the Few-GeV Region

Contribution ID: 87

Type: **not specified**

Consistent analysis of NC and CC neutrino scattering off carbon

Friday, 26 October 2012 09:25 (20 minutes)

Primary author: Dr ANKOWSKI, Artur (INFN and Department of Physics, "Sapienza" Universita' di Roma)

Presenter: Dr ANKOWSKI, Artur (INFN and Department of Physics, "Sapienza" Universita' di Roma)

Session Classification: CC and NC quasi-elastic scattering
