

# Snowmass Program Committee

2022-03-16

# News

We are exploring how to make this work with 400 people

- Charge remote connection fees
  - Share venue, A/V utilities, conference service fee
- Reduce length to 5 days (one week)
  - Amazingly intense 5 days!
  - A few conveners have contacted me to suggest this privately.
- Reduce number of parallel sessions
  - Instead of running 14 at once, we cut it down to 8 or 9
  - Do a few other things, like significantly reduce the reception

## Poster Session

- We have [opened abstract submission](#) (due Apr 15), keep open indefinitely.
- For students and postdocs, if it helps the travel case
- those who want a white-paper poster (collect signatures!)
- Will have prizes of some sort
- Would like to have lightning talks in the final plenaries!

# Draft Timeline

- ~~Mar 15: poster abstract submission is open~~
- Mar 22: Submit room request revision to UW Conf Service
- Apr 15: poster abstract submission due
- Apr 18: Conference rooms lock down
  - Large person rooms, minimal parallel rooms
- **Apr 22: Send invitations to each session speakers (Program Committee)**
- May 1: Early registration starts (11 weeks countdown)
- Jun 5: Early registration due (6 weeks countdown)
- July 3: Normal registration due (2 weeks countdown), expensive late registration possible
- July 17: Summer meeting kick-off

# The XF Meetings

Goals:  
Which are duplicates?  
Which ones are endorsed?
