This Meeting

Final run through of XF meeting lists

Remove duplicates, find large-ish meetings

We need this to make sure we have enough large rooms allocated

(deadline is next week)

Other Efforts Going on

Dinner/Reception Set, Public lecture set

Priorities:

- Get bulletin out, advertise, advertise, advertise
 - Poster due Apr 21 - encourage young scientists to submit abstracts.
- Room allocations firmed up for first cut-off date
- Open up early-bird registration (May 1)

Coming Up

- Start work in Plenary agenda
- Afternoon meetings and get together (and “vision” meetings)
- Side meetings
- Other events:
 - Poster, Exhibition
 - Career: HEP alumni panel, Industry networking game night
 - Outreach: Physics Slam, Colliderscope show, Snowmass@Seattle Public Library
