

Colorado State University

DUNE Databases Group Pre-collaboration planning

Norm Buchanan and Paul Laycock

Pre-collaboration planning meeting - May 9th, 2022

What do we need?

We need to know the offline requirements for Databases

Any questions?

Proposed agenda

- Hardware Database status* - 15'
- Ana Paula on IFBeam (and RunDB reminder) - 15'
- Lino on Slow Controls use cases - 15'
- Offline requirements (Me/Norm) - 15'
- Requirements discussion - 30'
 - We've invited Tingjun and Leigh

*HWDB tutorial is running concurrently to this meeting, plan to ask for a slide on this in a Tech board plenary talk (probably from Steve Kettell)
