

From the organizers:

We just put up a working draft copy of the synoptic table which shows the topics and schedule for the poster sessions. You can download it here:

ipac12.org/Images/IPAC12_Synoptic_Table_39.pdf

It is a draft copy so information will change, but the poster sessions are set. Posters are to be mounted at 12noon for each day, but the manned poster sessions start at 4pm and end at 6pm for each day, which is shown near the bottom of the table.

You can also look at the Satellite Meetings calendar page here:

ipac12.org/satellitemeetings.htm

Just set the calendar to May for each room to see availability. As you can see, there is plenty of room available.

Once you decide on a room and time, you can contact Kevin Morris at ieeeipac12@gmail.com to make the schedule.

Hence: need to decide what day/time works. Let's discuss and see if certain days or time slots can be ruled out immediately. Then, Doodle poll.
