

Neutrino 2026:

UCIrvine:

Mu-Chung Chen (UCI) and Michael Smy (UCI)

Rio-Brazil:

**Helio da Motta (CBPF) , Ana Machado (UNICAMP),
Debbie Harris (York/FNAL)**

VTech:

**Jon Link (VTech), Patrick Huber (VTech),
Katie Scholberg (Duke)**

Some Issues to think about when trying to decide:

- 1) Suitability of Co-Chairs to lead/execute/host an Int. Neutrino Conf:**
 - A) physics wise**
 - B) other**
- 2) Depth of Institution in Neutrino physics for LOC committee**
- 3) Suitability of general location**
- 4) Easy of International access**
- 5) Cost issues**
- 6) Regional and other diversity issues**

And there are others.
