

# Planning for the DUNE Collaboration Meeting

May 11, 2022

Four parallel sessions of note for the collaboration meeting:

ND Complex Overview (DAQ, slow controls, ...): Tues 9:00-10:30 CT

ND Simulations/Reconstruction: Weds 14:00-15:30 CT

ND Complex Overview: Weds 16:00-17:30 CT

ND Complex Overview (Reports from Consortia): Thurs 16:00-17:30 CT

TMS-Specific session: Tentatively Tuesday 14:00-15:30 CT

- Aleena Rafique
- Palash Roy
- Lei Xia
- Strategic discussion – goals and plans from now through CD-1RR and towards CD-2.

*Will revisit the weekly meeting time coming out of the collaboration meeting. Would like to ensure that new people are able to join the effort.*
