
Recent Work on TiO_2 Coupon Aging

—

Mackenzie Devibiss
Scintillator R&D Group Meeting
6/1/22

—

Summary

- I have continued to measure the newest TiO₂ coupon (USPN 115101) almost every week since it arrived in March
 - Measurement dates: 3/17 - 5/26, will measure again tomorrow
- Most data entry finished
- Organizational spreadsheet updated
