Timetable (note *not* available yet from front page)

Day 2

Only EF, and afternoon plenaries have been loaded!

← Coffee (How should this be handled?)

← Lunch (to add)

← After sitting for 1.5 hours, need a break to change rooms, etc. - steal 10 minutes from each block?

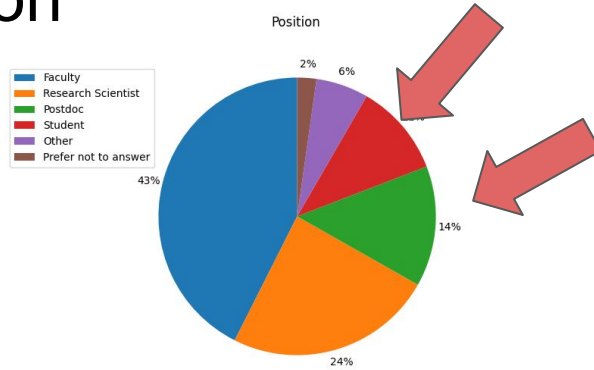

← Coffee (to add)

Next Steps

1. Get feedback over form (how long do people need?)
2. Make Frontier Conveners “owners” of each session
 - a. All will own the XF session
3. Load the rest of the meetings
4. Give everyone a few days to look, flip public so everyone can see
 - a. Note that some session names are still in code!

Registration

Registration

Current Status

- **454** people have registered/paid
- 494 total (UW volunteers, etc.)
- I have not registered yet!
- [Current list of people](#). Are the people you expect on there yet? Everything drops on Friday!!!

Schedule

- Regular registration starts this Saturday

Next Steps

- Do you know people intending to register? Please have them register quickly!

Travel Awards

We have \$10K built into the budget for travel awards

- We had 82 applicants
 - Position
 - 33% faculty or lab scientist
 - 35% graduate student
 - 20% postdoc
- Many are international
 - 70% of requests from from USA institutions
 - NSF has warned us this is not the right way to spend their participant funds
- We don't want to give out very small amounts for most people
- Reasonable number of Lab applicants
- Given out 16 awards

Next Steps

- Discussing with DPF about drawing on some of their resources to send the rest on the list
- Note that a number of international members of our community

Other Points

Videos

We have a single video up on our YouTube channel now...

We'd like a more dynamic video...

We will put the video together if we can gather the clips (record in Zoom? common bkg [image?](#))

How will it be able to be used: to accompany articles that are written, as PR, etc.
