

Thank you for your attendance at the 2022 Medical Device Sterilization Workshop. Your participation, including thoughtful Q&A, made the workshop a vibrant event.

If you have not done so already, please complete the [workshop survey](#). All responses will help us plan for next year's workshop.

Video recordings should be available in a couple more weeks. We hope to have the summary report completed in late November. When available, participants will be notified via email, and the videos and report will be posted on the [workshop website](#).

Thank you!
