

Presenters, please review this important information about the upcoming workshop.

**Location/Entry Information:**

- Fermi employees with active badges: The Workshop will be held in the Alvin Tollestrup Auditorium of the IARC building.
- **All others: Follow the [important instructions](#) detailing Real ID requirements, maps, etc. *A Real ID and QR code are REQUIRED at the Fermilab security gate.***

**A/V Details:**

If you have not already provided your presentation slides, please do so promptly. The slide decks will be downloaded, and you will be advancing your own slides. Arrive early at 8:20 am if you wish to try the A/V equipment before your presentation.

[AI for Experiments – Research Collaboration \(JTFI Workshop, Part II\)](#)

8:30 am CDT on October 20<sup>th</sup>, 2022

[Final Agenda](#)
