

# CalVision Bureaucracy

- DOE accepted the budget 1 Sep. You should receive money soon.
- Just a reminder that I do have money to spend on hardware, but I have to do the purchase. I cannot reimburse a purchase you make through your institute.
- **We should give a report in the IDEA meeting (alternate Wednesdays at 14:00 <https://indico.cern.ch/category/10684/>) soon. Any volunteers to give the talk?**
