Online Logbook(s)

Logbook
- Sarah requested a log book last time
- We setup an elog server at Virginia (https://elog.psi.ch/elog/index.html)
- https://nas1-hep.phys.virginia.edu:8080
  - So far one logbook is setup. Can easily create others now.

Several logbooks are defined on this host. Please select the one to connect to:		
Logbook	**Entries**	**Last submission**
demo General Linux Tips & Tricks	1	Thu Nov 8 18:37:57 2001 by Stefan Ritt
SingleXtals 🔒 Single crystal measurements and simulation	0	-
