Looking ahead

FSPA Officers Request a meeting with Fermilab Director

We have a few ideas/issues to present.

Depending on the Director meeting, we might change to a colloquium format the upcoming October early career seminar.

FSPA nominations for next year's officers

Fermilab Student and Postdoc Association is calling for nominations for next year's FSPA Officers.

The nomination period started with a deadline on September 1 at 11.59 p.m. CT.
(**might be extended**)

We've been having trouble sending things to the users list.

Thank you!
