

## **UEC Education and Public Engagement**

Alexx Perloff

UEC Monthly Meeting

16 September 2022

# List of open action items from 2021-2022 term

- Update the list of [experiment spokespeople and contacts](#)
    - Update the LPC and Neutrino Physics Center coordinators
    - Add a page which lists all of the division heads (i.e. PIP-II, SQMS, etc.)
  - Coordinate with Spencer Pasero in FNAL EPE to finally make use of [outreach-mentoring@fnal.gov](mailto:outreach-mentoring@fnal.gov)
  - Coordinate with FNAL EPE to try to bring back in-person tours
    - Update the tour guide training policies and procedures (a la CERN)
  - Need someone to keep up with the Quarterly EDI Stakeholders meeting
    - Lots of interest for the various experiments
  - Still working on the postdoc appreciation week event (now planned for September 27<sup>th</sup>)
- |                          |                |               |
|--------------------------|----------------|---------------|
| • Public Site/WH         | • DO           | • Muon Campus |
| • Minos Underground Area | • GCC          | • SciDet      |
|                          | • Linac/PIP-II | • Prarie      |
|                          | • MicroBoone   | • SQMS        |
|                          | • Nova         |               |
