

# SP PHOTON DETECTION CONSORTIUM

OCTOBER 18, 2022

# *PD-HD mini-workshop*

- The PD-HD mini-workshop at UNICAMP planned for October 26-27-28 needs to be rescheduled;
- Our colleagues from the US are not allowed to travel to Brazil in that week because of the election of the Brazilian President (October 30<sup>th</sup>)
- We will postpone it to November and will decide if it will be an hybrid or just an online workshop.

# *Today meeting*

- ProtoDUNE update (Miguel)
- Status and plans for DAPHNE (Manuel, Deywis)
- PD-VD updates (Ryan)
