

Welcome to Fermilab

Last Day of Beyond the SM from Colliders to the Early Universe aka *Marcela-Carlos-Fest*

10:00	<div>Higgs Predictions Precisely</div> <div>Matthias Neubert</div> <div>One West, Fermilab</div> <div>10:00 - 10:40</div>
11:00	<div>Light Long-Lived Particles at DUNE</div> <div>Herbi Dreiner</div> <div>One West, Fermilab</div> <div>10:40 - 11:20</div>
	<div>Break and Discussion</div> <div>Atrium, Fermilab</div> <div>11:20 - 11:50</div>
12:00	<div>Panel: The Future of Particle Physics</div> <div>Aida El-Khadra et al.</div> <div>One West, Fermilab</div> <div>11:50 - 12:50</div>
13:00	<div>Working Lunch and Discussion (Topics: precision Higgs measurements and future colliders)</div>
14:00	<div>Atrium, Fermilab</div> <div>12:50 - 14:20</div>
	<div>New Discoveries at the Precision and Intensity Frontiers</div> <div>Stefania Gori</div> <div>One West, Fermilab</div> <div>14:20 - 15:00</div>
15:00	<div>Supersymmetry and the Electroweak Phase Transition</div> <div>Nausheen Shah</div> <div>One West, Fermilab</div> <div>15:00 - 15:40</div>
16:00	<div>Break and Discussion</div> <div>Atrium, Fermilab</div> <div>15:40 - 16:10</div>
	<div>New Physics at Future Colliders</div> <div>Zhen Liu</div> <div>One West, Fermilab</div> <div>16:10 - 16:50</div>
17:00	<div>Adventures in Quantum Sensors</div> <div>Roni Harnik</div> <div>One West, Fermilab</div> <div>16:50 - 17:30</div>

- **All talks in One West**
- **Coffee breaks outside One West**
- **Lunch: Boxed lunch, find a table in atrium**
- **Bus back to Hyatt in Chicago @ 5:30pm**
